

Dear Parents,

As many of you know by now that Eden Valley- Watkins Schools are as peanut free as we can make them, and want to keep kids safe from this allergen. One of the services the Food Service will be offering is to make cupcakes and cookies for classroom parties and birthday treats.

If you would like to order something, please fill out the form below and send money to Amanda Bruntlett at abruntlett@evw.k12.mn.us , money must accompany orders. You may also send the form to school with your child and they can give it to food service.

All orders will be delivered to the classroom.

We ask for at least 2 weeks' notice for orders to ensure we have enough product on hand and time to prepare the treats.
