

**EDEN VALLEY-WATKINS PUBLIC SCHOOLS SDSDEPOT DIRECTIONS**

To gain easy access to chemical safety data sheets scan the QR code using a QR reading APP (Most phone cameras are a reader) on any mobile device.

If the QR Code is not working you can visit [www.sdsdepot.org](http://www.sdsdepot.org)

**Username: 463**

**Password: 463**

*If you do not have a QR reader or PDF Viewer you can get a free one from the Google Play Store for Android Devices or the Apple Store for Apple Devices.*

**If you are still experiencing issues please reach out to the buildings and grounds department or your district's health and safety consultant for assistance.**
